

City Tour 'Metropolitan Landmarks'

Kuala Lumpur (or KL as it's commonly called), is the capital city of Malaysia. Spanning over 243 square kilometres, KL has first-rate hotels, excellent and varied cuisines, a lively blend of cultures, architectural styles that range from Moorish to Tudor to modern, a generally efficient infrastructure, and some of the lowest prices of any major Asian city.

HIGHLIGHT OF THE TOUR :

- ✓ **Royal Palace** (Photo Stop) - is the official residence of His Majesty, Yang di-Pertuan Agong. His residence covers an area of 28 acres of land. This palace was built in the strategic position on the undulating green lands of Bukit Petaling looking at the Klang River.
- ✓ **National Monument** (Know as Tugu Negara) – representing Malaysian soldiers' struggle and sacrifice during The Emergency, designer Felix de Weldon cast the Malaysian model in bronze in Italy.
- ✓ **Menara Kuala Lumpur** (KL Tower) -Menara Kuala Lumpur (officially) stands majestically atop Bukit Nanas (Pineapple Hill) at 421 meters and 94 meters above sea level
- ✓ **Suria KLCC Shopping Centre** – Known as PETRONAS Twin Tower one of the tallest buildings in the world, the 88-storey PETRONAS Twin Towers is now celebrated as the world's tallest twin structures. Inspired by Islamic architecture, this gleaming mega-structure – standing 452 meters tall
