

Kuala Lumpur Exploring and Discovery Tour

Kuala Lumpur (or KL as it's commonly called), is the capital city of Malaysia. Spanning over 243 square kilometres, KL has first-rate hotels, excellent and varied cuisines, a lively blend of cultures, architectural styles that range from Moorish to Tudor to modern, a generally efficient infrastructure, and some of the lowest prices of any major Asian city.

HIGHLIGHT OF THE TOUR :

- ✓ **Royal Palace** (Photo Stop) - is the official residence of His Majesty, Yang di-Pertuan Agong. His residence covers an area of 28 acres of land. This palace was built in the strategic position on the undulating green lands of Bukit Petaling looking at the Klang River.
- ✓ **Sultan Abdul Samad Building** - The Sultan Abdul Samad Building was constructed in 1897 and has long been a landmark for Malaysia and Kuala Lumpur. The unique Moorish-style building has a 41m clock tower, dubbed 'Big Ben'. The design of this building was undertaken by a British architect, A.C Norman, who worked for the Public Works Department at that time
- ✓ **Aquarium KLCC** - is a world-class aquarium that showcases animals & marine life from Malaysia and around the world. Aquaria KLCC was initiated developed and wholly-owned by Aquawalk Sdn Bhd, an MSC Status company incorporated in the year 2002.
- ✓ **Petrosains** is designed as a modern and contemporary centre that allows visitors to touch, feel and manipulate the exhibits on display. The interactive feature of Petrosains' exhibits, combined with a touch of theatrical and futuristic elements offer visitors a more constructive learning experience.
